ALTEC LANSING®

Sound made to fit your space!

The VS2521 system delivers the ideal balance of powerful sound and ultimate flexibility. The satellites feature a unique design that allows you to place them upright on your desk or interlock them to fit them under your flat-screen monitor. A 5-1/4-inch powered subwoofer provides all the bass you'll need for your favorite music, movies and games. The three-inch midrange drivers are housed in a specially designed cabinet that features asymmetrical baffling for uncompromised sound quality and reduced distortion. Any way you add it up the VS2521 is the perfect companion for all of your computer audio needs.

VS2521

Speakers for computer & MP3 players with powerful sound and patented horizontal/vertical design

hear what's next™

The VS2521 speaker system features a unique, patented horizontal/vertical design that lets you configure the satellites to fit your space. A powerful subwoofer and asymmetrical baffling assure strong, clean sound.

Powered subwoofer
5-1/4" long throw driver lets you feel the bass from your favorite music or movies.

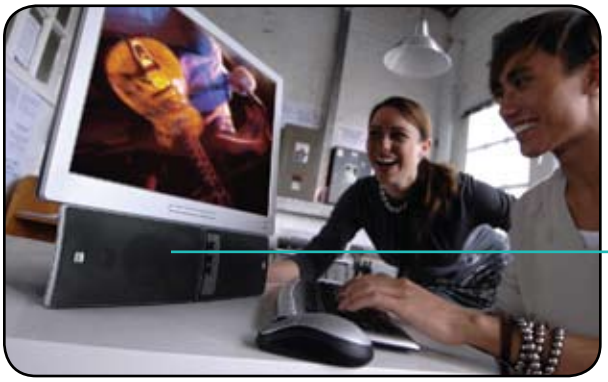
Unique asymmetrical baffling
Delivers uncompromised sound quality while reducing standing waves and distortion – your favorite tunes never sounded so good.

Distinctive design
Features high tech, acoustically transparent metal grilles that look great everywhere.

Magnetically shielded satellites
For use near video monitors.

Power, volume and tone
Controls are all at your fingertips.

Convenient front panel MP3 player and headphone jacks



Maximize your desk space
Unique design lets you use speakers in a horizontal or vertical configuration. Fits great in unused space below most monitors.
